SUMMARY

Distinctly motivated tech enthusiast, passionate to stay updated on the latest computer software and hardware.

I am currently a Computer Science graduate, excited to refine my professional skillsets in the industry.

- Voluble in HTML, CSS (Bootstrap), PHP (CodeIgniter), JavaScript, Dart (Flutter), SQL languages and related frameworks.

Expertise in digital content creation & strategy, graphic designing and technical writing with extensive research and tools adaptability.

- Fluent in Adobe Creative Suite, Microsoft Office Suite, WordPress, HubSpot CRM, Canva, Google Analytics & Social Media Platforms.

EXPERIENCE

● eLearning and Development Intern @ Camms

OCT 2022 – SEP 2023 Echelon Square, Sri Lanka 

- Consult subject matter experts to develop product enablement and marketing content, adhering appropriate design principles.
- Incorporate interactive learning techniques to design learning content to educate technical and non-technical software users.
- Work closely with internal teams to create eLearning and website content, including videos, graphics and written materials.
- Support the administering the Camms Learning Platform and website, managing learning content and client databases.
